

Dear Community Partner:

CAA has made the difficult decision to **temporarily close** to help “flatten the curve” and reduce the spread of COVID-19. However, this does not mean we are not continuing to serve our clients.

Here’s how we are helping:

- We will continue to operate our mobile food pantry, three times a month.
- Our Comprehensive Case Management and Employment Program (CCMEP) will continue to provide support to clients over the phone.
- Our GCMI entrepreneurship program is signing individuals up for future training and providing online and over the phone Coaching and Technical Assistance, as well as helping business owners navigate emergency loan resources.
- Head Start is providing parents with materials and online lesson plans to continue teaching children at home. Teachers will also provide virtual home visits.
- Tax preparation will continue online and by mailing in tax documents.
- We will continue to work with our Project Lift clients by phone and online.

We know that the need doesn’t stop because of COVID-19, and the staff at CAA is committed to continue to provide support to those in our community who need it most. We will continue to keep you updated as we navigate through this. Thank you for your continued support!

Warm Regards,
