

Hello Friend,

This week, I want to take a moment to recognize and thank the staff at CAA. It has been nearly three months since our decision to close CAA's physical doors, but of course, our "virtual doors" have remained open. Our staff has continued to work as hard as ever to serve the community, most of them remotely from home, but some volunteering to run our much-needed food pantries. Many have been retrained to provide support in areas of high demand, like rental and utility assistance, and no one has been laid off or furloughed. We continue to provide "hazard pay" for those staff that we ask to work outside their homes. And we greatly appreciate how our staff have stepped up and pitched in to serve our families during these difficult and unsettling times. Even as our staff continues to serve others, they too are coping with the effects of this pandemic, and we support and thank them.

Again, we thank you for your support as we continue to work through this difficult time together.

Best,

Mark B. Lawson, Esq.
President/ CEO
