

Hello Friend,

We are happy to say that the Ohio Home Relief Grant has been extended, which will allow CAA to continue to help folks struggling to pay their rent, mortgage, and water bills. Last week, I had the opportunity to discuss what this means for our community on [WVXU](#).

We know that the need is great, and we are working to provide solutions that will give hope to so many who have lost so much over the last year. As we started 2021 with a vaccine, there is hope that things will begin to get better.

Thank you all for your generous support.

Best,
Mark B. Lawson, Esq.
President/CEO
