

Hello Friend,

May is Community Action Month, and for 56 years, we have been serving our community through Head Start, Career Pathways, Home Energy Assistance Program, and other emergency services, providing opportunities to lift individuals and families out of poverty.

This year, things have shifted, but our mission remains strong. We have served 1,658 customers through our Home Energy Assistance Program. We have 2,384 children in our Head Start, and Early Head Start program and our teachers continue to connect with these children and their families daily. Our partnership with the Freestore Foodbank has allowed us to serve food to more than 600 households.

In recognition of Community Action Month, I just want to say THANK YOU! Thank you to our staff and volunteers who have worked tirelessly to continue to do great work. Thank you to those of you who have spread the word about the work that we are doing and thank you to those who have found it in their hearts to donate to CAA.

Your support is what keeps us close, especially during these times.

Best,
Mark B. Lawson, Esq.
President/ CEO
