

Hello Friend,

This Giving Tuesday, we're reaching out to our friends and asking you to join us in helping our neighbors meet their basic needs and live with dignity. The COVID-19 pandemic along with its economic impacts has brought a crisis to many in our community. Across Cincinnati, our organization's community services programs and staff have worked hard to meet emergency needs.

The need in our community has never been higher. As we look to the winter months, we hope to provide much-needed support with rent payments, food and groceries, and higher than normal electric bills as the weather gets colder.

Vanessa and her family are just one of the hundreds of families we were able to help this year. Each family we help matters.

If you're capable of giving, please make a gift to our Community Relief Fund to help your neighbors with a gift of \$250, \$100, \$50 or even \$25.

And if you're ever in need, call us—we're in your corner.

Thank you
Mark B. Lawson, Esq.
President/ CEO

CAA In Action

Congratulations to Outgoing Board Member Chanel Wood

"My Journey with Cincinnati-Hamilton County Community Action Agency started 6 years ago with GCMI - Greater Cincinnati Microenterprise Initiative when I wanted to start [Just Plan It!](#)

It continued when I enrolled my son into Cincy CAA Head Start 5 Star award winning program!

From there I was voted onto their Policy Council member as a secretary! Last year I was voted the Chairperson which allowed me to be a CAA BOARD MEMBER!!

I have Emceed the GCMI Nation Anniversary celebration! I have been on LOCAL 12, WKRC-TV for Head Starts enrollment last year! I was also in Cincinnati Magazine with my son to share my gratitude and appreciation for all they offer and have done for me!

I've also been a part of the STEPS program led by Sherry Bronson Childers and because of her I was able to go through the Medical Assisting program at Scarlet Oaks!!!!

I end my last year on the policy council and a member of the board extremely grateful because without them, their support, their love and compassion, I have no idea where I would be as a business person, a parent and as a person!! I love everything about CAA and I'll never forget everything they ALL have done for me!!"
