

Hello,

The work that our staff and volunteers have been doing over the last few weeks has continued to make a difference in the lives of the clients we serve.

- Through our partnership with the Freestore Foodbank, we provided groceries to more than 300 families last week.
- Our Head Start program remains a vital part of the organization as it continues to serve families and children by providing them with diapers, wipes, formula, and parent education packets.
- Because of the rise in unemployment, we have seen many more families struggling to keep up with their, rent, electricity, water, and other financial obligations, and so our community services team is answering those calls and helping those clients who need assistance.

Again, we are not doing this alone. It is with your help that we are able to continue to make a difference. Please continue to share these resources with your networks. Thank you for your generosity.

Best regards,

Mark B. Lawson, Esq.  
CEO/ President
