

Dear Friend,

This week, we have decided to open the doors of our Head Start program at half capacity. It has been a well thought out and planned decision, and I have to say thank you to our Head Start leadership, teachers, and families who have helped to ensure that we are providing a safe environment for our families. We continue to provide virtual learning assistance and meals throughout the week for those families who are not attending our program in-person. I know that there is a long road ahead of us as there are still some challenges that we are facing due to the pandemic, but I am confident that we are headed in the right direction.

We are less than three weeks away from our [56th Annual Luncheon](#), and I am so happy to have Dr. Bernice King join us as our guest speaker. The event is free, and we encourage everyone to join us for a moment to reflect on the year as we discuss how we are moving forward during the pandemic and addressing the injustices that continue in our country. To join in on our conversation with Dr. Bernice King, we ask that you email your questions to ajenkins@cincy-caa.org.

Thank you all for your support!
Mark B. Lawson, Esq.
President/ CEO

Head Start Learning Packs

Even though our Head Start students are learning from home, our families receive bi-weekly virtual educational packs to encourage home learning and kindergarten readiness. The boxes include educational activities, books, and school supplies.
