

Hello Friend,

Summer is officially here, and we know that there are many families in need of assistance with their utility bills. This week, Dianne Dozier, our Family Support Manager, will be Live on Facebook to answer everyone's questions around our Home Energy Assistance Program (HEAP). The [Summer Crisis Program](#) has started and will run through September. This year, more people will qualify for assistance because of COVID-19, and we want to make sure that everyone understands those qualifications and how to connect with CAA for help. Please tune in this Thursday at 2 p.m. - more information can be found below. Keep in mind that in addition to HEAP, we are also providing rental assistance to those at risk of eviction. You can visit our website, [cincy-caa.org](http://cincy-caa.org), for more information.

Please remember to stay healthy and safe! In the summer months especially, we all want to travel and gather with friends and family, but please take the necessary precautions to remain healthy. Wear a mask, maintain social distancing, and wash your hands. Again, we thank you for your support.

Best regards,

Mark B. Lawson, Esq.  
CEO/ President

## Everybody Counts

As we continue to practice social distancing, now would be a great time to go online to complete the #2020Census from the comfort of your home. The data gathered is critical to how communities are seen, heard, and funded. For every person not counted, Hamilton County loses \$1,814 in federal funding annually.

Visit [2020census.gov](http://2020census.gov) or call 1-844-330-2020 to complete your census today.

## Call for Young Professionals
